

SMURFLING

Wondering what "SMURFLING"
means?

We can't really help with that,
however, we do know of a
rad group called Prism.

Prism is a group for LGBTQ
youth, ages 14-21, looking
for a place to meet new
people, socialize, get support,
and dialogue about
important life issues.

Oh yeah, pizza and pop are
provided for free...

Who needs the definition of
"SMURFLING" when you have
all of that?!
